

LABEL ROLL DISPENSERS

The essential dispenser for large rolls of self adhesive labels where low volume applies.

Prices from £50.00

Handles roll widths 30mm to 250mm - easy to load, easy to use - free standing or wall mounted - rigid metal construction - ideal for low volume use.

AP SERIES HAND LABEL APPLICATORS

Prices from £95.00

Lightweight portable and easy to use 'anywhere' label applicators. For use with labels from 20mm to 100mm in width. Ideal for ease off-line where several labeling stations are required. Automatic sensors ensure speedy and accurate location of labels on flat or curved surfaces.

EM21 BATTERY OPERATED LABEL DISPENSER

Prices from £295.00

You can use this highly productive product anywhere within your organization without the need to be connected to mains power.

One charge of the battery (left) is capable of producing an impressive 15 rolls of labels, with each roll being 60 feet long. Label Length 15mm – 100mm, Label Width up to 50mm
Alternatively this product can be run from mains power.

LD100 – LD200 RS SEMI AUTOMATIC LABEL DISPENSERS

Prices from £495.00

The LD-100-RS and LD-200-RS label dispensers advance the state of the art with new convenience and durability. Using the latest opto-electronic technology, there is just one simple adjustment for label length. A special reflective sensor sits below the label and reliably and accurately senses the leading edge of your label. As you pick up a label the next one is automatically and instantly advanced. The modern design presents the label right at the front of the machine, providing optimum convenience for both left & right handed and to set up the unit, you just slide your roll of labels onto the built-in core holder. Label Length 6mm to 150mm. Label width up to 115mm
